The receipt of ADVANCE SHEETS from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

WHOLESALE DEALERS

**IN TEAS ONLY,**

PHILADELPHIA.

THE new crop of Tea is now arriving, and selling much below the high rates of the past year; the present therefore opens with the pleasing prospect of our again being able to furnish as good an article for the price, as formerly. We also take pleasure in announcing that we have concluded to extend the time on small bills, heretofore sold on two and three months, to three and four months credit.

Thousands of Grocers and general Store keepers now sell Teas in our Metallic Packages, and the number is constantly increasing, notwithstanding the strong prejudice that once existed against teas put up in this convenient form. This unexampled success is the legitimate result of a business uniformly done, for a long term of years upon just and fair principles, and especially with an eye to that wholesome one of "SMALL PROFITS AND QUICK RETURNS."

Teas being a perishable article, dealers are recommended to order small and frequent bills.

Those who still prefer the old way, are furnished with teas in the original half-chests, at three cents per lb. less than in Metallic Packages.

C. D. HURBUTT is no longer in our employ as Traveling Agent—his place being supplied by another. JENKINS & CO.

**Arthur's Home Magazine.**

Edited by T. S. ARTHUR and VIRGINIA F. TOWNSEND. For choice and elegant literature, high moral tone, peculiar adaptation to the home circles of our land, freshness, originality and cheapness, this Magazine is acknowledged, on all hands, to be without a rival. It is equal in the beauty of its typography and the richness of its embellishments to the most ambitious and dearest of our Magazines, while it claims to lead all of them in many essential features. For correctness and exquisite beauty, its colored steel fashion plates were unrivalled in 1857. They will maintain this superiority in 1858. Volume XI began in January.
